

Tiermasken

bunte Basterei für den Kindergeburtstag

Anleitung

1. Die Vorlagen entweder auf dickeres Papier ausdrucken und ausmalen oder auf buntes Tonzeichenpapier übertragen und ausschneiden.
2. Den Pappteller in der entsprechenden Farbe bemalen und trocknen lassen. Den Teller in 2 Hälften schneiden (beim Walross ca. 1/3 wegschneiden).
3. Zwei Löcher für die Augen ausschneiden und die ausgeschnittenen Teile festkleben. Wenn nötig Details wie Wimpern, Augenbrauen usw. mit Filzstift aufmalen.
4. Nun entweder ein Glacestängeli zum Halten der Maske ankleben, oder links und rechts ein kleines Loch stechen und einen Gummifaden montieren.

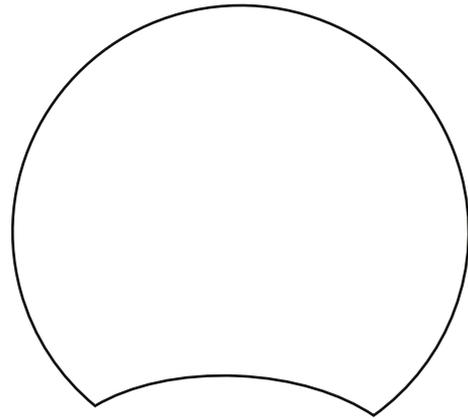

Material:

| | | |
|----------------|-------------|--|
